Business Request Form for PPE

\*Required Question(s)

In response to the issues being faced by small businesses due to COVID-19, the State of California, Office of the Governor, through the Office of Emergency Services (OES), is providing support to employers and their staff. OES has made available, large quantities of no cost Personal Protective Equipment (P.P.E.) to areas throughout the State. A local team has organized to bring these safety products to the businesses of Madera County.

Any private sector employer, currently allowed to conduct business under State & Local Public Health Guidelines are eligible to receive this product.

All that is required from each business wanting to receive this complimentary P.P.E. is to fill out the following request for information. Employers will receive a 30-day supply of face masks per employee and will also receive hand sanitizer. Face shields are available upon request.

The product has been ordered for Madera County. Once received, a notification will be sent to local businesses with information on dates and location of distribution. Distribution will be held in three regions; City of Madera, City of Chowchilla, and Madera County Mountain Communities.

This program is a partnership with the State of California and the City of Madera, City of Chowchilla, Madera Chamber of Commerce, Madera County, Madera County Workforce Development, Madera County Economic Development Commission, Madera District Fair, Visit Yosemite|Madera County.
