Air Quality Alert

400 PM PDT Tuesday, Oct. 20, 2020

The San Joaquin Valley Air Pollution Control District continues an Air Quality Alert due to smoke impacts from the Creek Fire, SQF Complex, and other wildfires throughout the region for Madera, Fresno, Tulare, Kings, and Valley portion of Kern Counties.

In addition, the Tuolumne County and Mariposa County Air Pollution Control Districts have issued an Air Quality Alert on October 19, 2020.

Exposure to particle pollution can cause serious health problems, aggravate lung disease, cause asthma attacks and acute bronchitis, and increase risk of respiratory infections.

Residents are advised to use caution as conditions warrant. People with heart or lung diseases should follow their doctor's advice for dealing with episodes of unhealthy air quality.

Additionally, older adults and children should avoid prolonged exposure, strenuous activities or heavy exertion, as conditions dictate.

For additional information, call your local San Joaquin Valley Air District office. Modesto 209-557-6400, Fresno 559-230-6000, Bakersfield 661-392-5500

Residents can also follow air quality conditions by downloading the free Valley Air app, available in the Apple store or Google Play.
