# Save the Date!

## Register now for a California Post- Fire Forest Resilience Workshop

**Online weekly Wednesdays 6:00pm – 7:30pm, February 1<sup>st</sup>  
to March 15<sup>th</sup> and in-person field trips on  
Thursday March 16<sup>th</sup> and Friday March 17<sup>th</sup>**

### Learn about managing forestland after wildfire:

- Increasing disturbances in Sierra Nevada forests
- Post-wildfire issues: erosion, invasives, hazard trees, fuels
- Time frame and steps needed for reforestation
- Landowner support groups and financial assistance
- Safety and erosion control for the short and long term
- Dealing with dead trees/ salvage logging/ slash treatment
- Reforestation/seedling orders/ climate change/ planting
- Dealing with competing vegetation and on-going maintenance
- Post-wildfire rangeland management
- Getting professional help and cost-share opportunities

Participants will use online resources on their own time to complete learning modules and short activities. Zoom meetings with all participants and presenters will take place once a week on Wednesdays, 6-7:30pm. The focus is on recent fires in the central Sierra Nevada. The in-person field trips will visit the Creek and Oak fires to see fire impacts, restoration needs and strategies and restoration projects on private and public lands.

**Registration** for the workshop is \$25. Sign up now at:
